RE:2008 Strawberry Jam Performance

Dear Sirs,

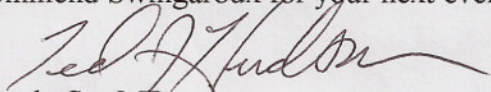

Swingaroux Big Band was a fabulous addition to this year's, Northshore Regional Endowment For The Arts "Strawberry Jam'n Toast To The Arts Festival" in Ponchatoula, LA. They're not like any other big band you hear in our area.

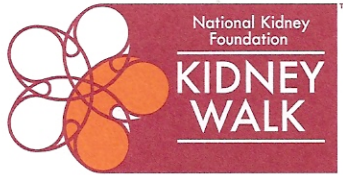

With our audience, Swingaroux's wide range of arrangements reached our listening audience, as well as our dancing audience. Swingaroux dressed like a band, different from other bands. Their sound was full and big, different from other bands. Not just a big band, not just musicians, they are entertainers!

Swingaroux exceeded our expectations and contributed to our goal to, "raise the level of awareness of music and art amongst the residents of the region".

I highly recommend Swingaroux for your next event.

Sincerely,

  
Ted J. Hudspeth, Sr., MD.

Dear Swing-A-Roux, Band Members:

On behalf of our Board of Directors, volunteers, staff, the New Orleans Kidney Walk Committee and clients of the National Kidney Foundation of Louisiana, I would like to personally thank you for your participation in the 2008 New Orleans Kidney Walk. It was a beautiful day helping to make this year's walk a great success. Your contributions and support continue to help the National Kidney Foundation of Louisiana achieve its mission of "making lives better".

The National Kidney Foundation of Louisiana is dedicated to finding answers to kidney disease while insuring that people who have kidney problems receive the finest possible care. The mission of the National Kidney Foundation of Louisiana is to prevent kidney and urinary tract diseases, improve the health and well-being of individuals and families affected by these diseases and increase the availability of all organs for transplantation. Your contributions and support make our mission a very close reality.

Your band was very professional; prompt, prepared to play and nicely dressed. You played a great mix of music that appealed to a large group of people. Most importantly, you sounded great! Numerous complements were registered on race day and at our post race meeting. We were very pleased and truly appreciated having such great live entertainment venue for our walk. Should you ever need a recommendation or letter of reference, please don't hesitate to contact me.

Once again, thank you for your support of the National Kidney Foundation of Louisiana. We truly appreciate your generosity and look forward to your continued support next year.

Best regards,
